**Please note that the Algebra 1 Review Course and the World Language Review Courses will only run during the first scheduled time block between 4:00–5:15PM. All other courses will be offered during both time blocks.*

Also, please consult the departmental specific schedules for a listing of topics that will be covered at each session. These sessions are in addition to the regularly schedule extra-help sessions offered by classroom teachers. Extra-help schedules are posted on the HS Website, under 'Hot Links' on the right side of the page.
