**BEFORE / AFTER SCHOOL PROGRAM  
 AT NS MIDDLE SCHOOL  
 2010 - 2011 SCHOOL YEAR**

As in the elementary schools, we offer our before and after school program at the **North Shore Middle School** Monday through Friday, from 7:00 AM until school starts at 8:00, and in the afternoon from 2:50 until 6:00 PM. We are open all days school is in session for students in **6<sup>th</sup>, 7<sup>th</sup>, & 8<sup>th</sup> grades.**

Our program meets in the **Cafetorium**. Our main goal is to get that daily homework completed in a fun "club" atmosphere with friends! We provide **afternoon snack / morning breakfast**, all **materials** (pens, pencils, paper, dictionaries, disks, etc.), and have access to the **library / computers** for research and reports. Our director, Wendy Rosow, will help students get / keep organized and learn to prioritize their assignments. Special attention is given to book reports and special projects. Beginning in Middle School, homework counts toward a part of a student's grade, and especially for the incoming 6<sup>th</sup> graders, the workload can be a bit overwhelming – a big difference from elementary school!

When homework is done or a break is needed, we **have ping pong, tennis, basketball, whiffle ball, football, music, movies, Frisbee, badminton, and games / cards, jewelry making, community service / fundraising, and relaxing with friends available!** Students can attend one of the middle school clubs for the hour once a week and join us afterwards.

You can be **flexible** with days – **choose from 1 – 5 mornings or afternoons per week at any time during the school year as you need us!** To register, mail this form to the address above attn: Laurie Petroske. Also feel free to contact her for additional information.

Morning Session: \$10.00 per day      Afternoon Session: \$18.00 per day  
 Finals week: \$6.75 per hour (open 9:00/10:00 AM – 6:00 PM)  
 \$55.00 Registration Fee      10% discount to siblings (at any NS School)
