February 2010

On behalf of the Art Supervisors Association, it is with great pride and excitement that we would like to announce the sixth annual **Nassau All-County Art Exhibition**. This exhibit will showcase the works of the most talented student artists in our schools. Please join us for this one day event held at the Ruth S. Harley University Center of Adelphi University, Garden City, on Sunday, **March 21**, 2010 from 12 Noon until 4 PM. Scholarship awards for select Senior students will take place at a special reception beginning at 11 AM.

Every Nassau County art teacher who has submitted entries will be represented at this special event with student works divided into five divisions encompassing kindergarten through high school. Each day, students in art classes use critical thinking skills to solve problems, make discoveries and explore new ground. We are sure you will enjoy the creativity and accomplishments of our young and talented visual artists as you view the various media of pastels, paint, ink, charcoal, colored pencils, photography and collage.

Please accept our thanks for your support of the arts in Nassau County schools. Together, we can be strong advocates for arts education and continue to support our cultural communities. We hope to see you at the exhibit on March 21.

Cordially,

The Executive Board
