## BOE Meeting Summary

September 6, 2007

### **Discussion/Presentations:**

1. Matt Rankel of Dunn Engineering & Associates presented the Traffic and Safety Report prepared by his company. He outlined their

recommendations for changes in parking and traffic flow for each of the five schools. The Board had a lengthy discussion about all of their concerns regarding the new configurations as well as offering suggestions for changes to the initial plan.

Dr. Melnick reminded the Board and audience that this was just a preliminary discussion and further examination will be done including cost estimates. Also required will be SED approval of the plans.
