

The SADD Club at North Shore Sends a Message For the Holidays

The North Shore High School SADD Club is always very active to show awareness for making good decisions for students as well as community members. During the holidays don't drink and driving is always a very important message. Pictured is the annual display for all to see and remember. A special thank you to Glen Cove Towing Company who assisted the SADD club with this display. The members of the SADD club are: Marina Bernesby, Ester Bley, Rachel Burke, Eleni Efstathiadis, James Passarelli, Alex Wood, and Molly Reilly. Their message to one and all.....

Don't Drink and Drive Stay Alive
