Celebrate the cancer survivors in your life.
Remember those lost to cancer.

Fight Back as a community against cancer.

Relay For Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. At

Relay, teams of people (friends, family, etc.) attend after weeks of fundraising and camp out at a local high school track and take turns walking or running around a track through the day and night.

Survivors: The Relay VIPs

A survivor is anyone who has been diagnosed with cancer and identifies themselves as a survivor. Whether they were diagnosed 30 minutes ago or 30 years ago or currently battling cancer - these people are our reason to **CELEBRATE**. The Relay For Life honors these VIPs by holding a Survivors Reception prior to the start of the Relay For Life for the survivors and their caregivers.

At the end of the Survivor's Reception, the survivors become a part of the opening ceremonies of Relay For Life.

The Relay begins with a Survivor Speaker, who shares their story of hope. Immediately after, the first lap of the Relay is a Survivor's Victory Lap, whether the survivors are cheered on by all the Relay-ers.

The Survivor's Reception will be held at 5:30 pm at the North Shore High School Cafeteria. The Opening Ceremonies will take place at 7 pm at the North Shore High School Track.

It's not too late to support the cause!!!

**Onsite fundraising will be taking place throughout the event and many fun activities for all ages.....
Stop by to get involved in this great community event!**
