

Senior Citizens Party at North Shore

The second annual Senior Citizen Prom was held at North Shore High School on May 16, 2010. This is always a special event at North Shore where students and our community join hands for a wonderful gala affair. The event is always scheduled after the North Shore Junior Prom and a very special thank you to Junior Class Advisor Frank Mauro, and the prom “parent committee” for donating all the party fixings to make this event memorable for our seniors. The guests arrived in tuxedos and prom dresses, were given a corsage, buttoners, photos were then taken...thank you, Robin Appel our photographer, then off to the tent that awaited them in the North Shore Courtyard. Music was supplied by a DJ and all had a wonderful time. Of course we had a king and queen, community donated raffle prizes and dinner was serviced, some of the food was also donated by community vendors. Of course lets us not forget the host and hostess for the afternoon our North Shore Key Clubbers. Our student chairperson for the event was Eleni Efstathiadis who was supported by numerous North Shore students who assisted with this activity. A special thank you to Filanthe Efstathidis for all her time and effort to make the prom a huge success. Pictured are various shots of our students and seniors in action.....dancin’ the afternoon away!!
