Prepare for World AIDS Day December 1, 2011**

The AIDS Peer Educators annually prepare an event to recognize World AIDS Day on December 1. This year the traditional AIDS Banner signing and a fundraiser bake sale that raised \$187.00 took place on Thursday December 1, 2011 at North Shore High School. At the bake sale, information on AIDS was given out to all students as well as red ribbons. Students were asked to wear the ribbons to show support for the cause; to recognize those who are living with the virus and for those who have died of the disease called AIDS. Pictured are the AIDS Peer Educators in action on December.
