

## **The North Shore Key Clubs Goes Pumpkin Picking**

**The North Shore Key Club supports a very special fundraiser event each year for Navaho Indians hosted at the United Methodist Church in Sea Cliff. A truck load of more than 3000 pumpkins arrives at the church that are to be sold in the North Shore Community and volunteers from all over the district of North Shore give a hand to unload the truck. Pictured are key clubbers lending a hand to support this great fundraiser event: Partners Michael Rovner & Minnie Hou attended the event.**
