

The Clothing Design Class In Action at North Shore

Ms Teresa Paelilli-Schiano and her “Clothing Design Class” at North Shore High School are very busy with their new project for 2011. With the assistance of the North Shore Key Club and a donation of neck ties, these ties are being cleverly turned into small purses, and cell phone holders. As they say..... Someone’s discards are other people’s treasures. Pictured is Ms Paolilli-Schiano and her class in action with this wonderful and very unique project
