

## The North Shore Builders Club Finishes With Smiles

The North Shore Builders Club has finished another year with distinction. For the second year in a row they were recognized by New York State as a Distinguished Club for their community service programs. Pictured are club members in action attending the last official meeting for the year; the installation of officers for 2010-2011 as well as retiring the board for 2009-2010. The North Shore Key Club was also on hand to assist at the meeting. Pictured are the cheerleaders for Builders Club "Lisa and Natalie" on June 12<sup>th</sup> at the high school....pompoms in hand.... encouraging community members to attend the fundraiser car wash for the Kiwanis Pediatric Trauma Center.
