

NORTH SHORE SCHOOLS

DENTAL HEALTH FORM

New York State now requires that children enrolling in pre-kindergarten, kindergarten, or first grade in a public elementary school must present a dental health certificate. This certificate must contain a report of a comprehensive dental examination performed on the child.

Child's Name _____

Date _____ Grade _____

___ Has had a comprehensive dental examination.

___ Is in need of dental treatment and is under my care.

___ Has all necessary dental treatment completed

___ Needs no dental treatment at this time.
