

North Shore Rings the Bell at the Kettle for the Holidays

The North Shore High School students participate in the annual fundraiser for the Salvation Army. This project is spearheaded by the North Shore Key Club; the club has participated in this fundraiser for more than 15 years. The fundraiser lasts for 9 days and a total of 5 weekends where the students ring the bell at the Stop and Shop Store in Glen Cove. The weather might be cold but the North Shore hearts are warm for the Salvation Army Organization. Pictured are.....
