

August, 2011

Dear Eighth Grade Parents and Guardians,

I hope this letter finds you well and enjoying your summer! I can hardly believe your child is about to enter their third and final year of middle school. Now that I am feeling much better, I am excited to reconnect and support your child through their eighth grade experience.

In my past experience as an eighth grade counselor, I understand what an exciting and challenging year this can be. By creating a partnership with you and the teachers, it is my hope that your child will continue to develop a positive self-image, strong academic motivation and the ability to make wise decisions. Together, we can help prepare your son or daughter to develop these skills necessary to be successful in high school.

If you have any questions or concerns, please feel free to contact me after August 24th at 277-7303. Once again, I look forward to working with you and your child.

I wish you and your family a happy, healthy and adventurous summer rest of the summer!

Best regards,

Flavia Finning
School Counselor
