## **BASIC PASTEL DRAWING**

**Thursdays 7:00pm – 9:00pm**  
**Starts: March 5<sup>th</sup>**

**Fee: \$65**  
**CC# 4**  
**6 sessions**

The course's objective is to develop in each student the personal confidence to successfully use chalk pastels.

Each week, the demonstrated technique will build upon the previous session beginning with monochromatic studies progressing to full-color shaded compositions.

The subject matter will concentrate on a variety of still-lives stressing successful two-dimensional design principles such as format, proportion, balance, rhythm and emphasis.

We will conclude with expressive gesture drawings of the human figure using projections on the classroom video screen (Smartboard).

No experience is necessary. The instructor will collect a small fee (\$15 - \$20 depending on total enrollment) to cover the purchase of chalk pastels and specialized pastel papers.

**WATERCOLOR PAINTING**  
**Wednesdays 7:00pm-9:00pm**  
**Starts: March 4th**

**Fee: \$75**  
**CC # 5**  
**8 sessions**

The objective, throughout this workshop, is to inspire my students to experiment with the watercolor medium. This course is designed for both beginning as well as advanced students.

The students, if they wish, will paint along while following my demonstration, or just observe and take notes. At the end of each session, I will encourage the students to paint a simple object and bring it in the following week for a critique.

All the basic foundations of the watercolor medium will be covered until the student has a basic comprehension of how the pigments interact with water.

Some of the key points I will cover are:

1. How to plan a composition.
2. Basic drawing skills
3. How to create flat, gradated and multi-colored washes
4. The importance of values over color
5. How to direct the composition for emphasis on the focal point.

A supply list will be given to each student and we will go over it on the first day of class. You will not need your supplies until the second class. Please email [gesueles@northshoreschools.org](mailto:gesueles@northshoreschools.org) if you have any questions.
