2023-24 ADOPTED BUDGET

COMMERCIAL INSURANCE AND BOCES ADMINISTRATION

The District's general and commercial liabilities as well as BOCES administrative and capital costs are expected to increase between 10-12% next year. The District is a member of the New York Schools Insurance Reciprocal and experiences some protection from the high costs in the commercial insurance market but this year the Business Office was informed by NYSIR to expect higher increases next year due to storm related and cyber claims nationwide. The BOCES costs are determined by Nassau BOCES. The increases are mainly due to the rising costs of health insurance which are passed on to all component districts.

NORTH SHORE SCHOOL DISTRICT 2023-24 ADOPTED BUDGET EMPLOYEE BENEFITS

Employee benefits account for more than 25 percent of the budget. It includes pension costs for teachers, administrators and teacher assistants in TRS (Teachers Retirement System); pension cost for all support staff in ERS (Employee Retirement System); and the District's share of Social Security, Medicare taxes, workers' compensation, unemployment, health, life and dental insurances. The District's contribution rate which is set annually by the Teachers' Retirement System Board is estimated to increase between 9-10% of the 2023-24 member payroll. The estimated average employer contribution rate for ERS, (which is set by the NYS Comptroller) has been increased from 2022-23 to 2023-24. The budget below shows an increase of \$191,692.98 and \$165,652.67 in TRS and ERS liabilities in 2023-24. The employer cost for Social Security and Medicare is projected to increase by \$86,262.64 due to projected contractual salary increases and the projected Social Security wage cap in 2023. Health insurance costs are expected to increase by approximately \$1.4 million next year. This is a result of the NYSHIP Empire Plan rate increases in 2023 as well as projected increases in 2024. The District's cost for providing health insurance benefits for its active employees increased by more than 13% in 2023. See a detailed analysis of employer and employee share of premiums in the Assistant Superintendent for Business narrative. Cost for dental, life, long term, short term disabilities are projected to remain flat.

NORTH SHORE SCHOOL DISTRICT 2023-24 ADOPTED BUDGET EMPLOYEE BENEFITS

Employee benefits account for more than 25 percent of the budget. It includes pension costs for teachers, administrators and teacher assistants in TRS (Teachers Retirement System); pension cost for all support staff in ERS (Employee Retirement System); and the District's share of Social Security, Medicare taxes, workers' compensation, unemployment, health, life and dental insurances. The District's contribution rate which is set annually by the Teachers' Retirement System Board is estimated to increase between 9-10% of the 2023-24 member payroll. The estimated average employer contribution rate for ERS, (which is set by the NYS Comptroller) has been increased from 2022-23 to 2023-24. The budget below shows an increase of \$191,692.98 and \$165,652.67 in TRS and ERS liabilities in 2023-24. The employer cost for Social Security and Medicare is projected to increase by \$86,262.64 due to projected contractual salary increases and the projected Social Security wage cap in 2023. Health insurance costs are expected to increase by approximately \$1.4 million next year. This is a result of the NYSHIP Empire Plan rate increases in 2023 as well as projected increases in 2024. The District's cost for providing health insurance benefits for its active employees increased by more than 13% in 2023. See a detailed analysis of employer and employee share of premiums in the Assistant Superintendent for Business narrative. Cost for dental, life, long term, short term disabilities are projected to remain flat.

NORTH SHORE SCHOOL DISTRICT 2023-24 ADOPTED BUDGET DEBT SERVICE AND INTERFUND TRANSFERS

The District borrows money from financial institutions to build, renovate or purchase large fixed equipment and pays it back over time. Debt service in this part of the budget covers the principal and interest on serial bonds, interest cost on bond anticipation notes (BANs), and tax anticipation notes (TANs). TANs are short term notes that are used to meet the district's cash flow needs before taxes are collected from the county. This budget includes debt service for permanent financing of Phase I of the 2019 bond projects and both interest and Principle on BANs and Serial Bonds for the remaining projects.
