

A Matter of Fact with Dr. Z

“The North Shore CSD ranks amongst the best in student performance on the New York State grade 3-8 Math Assessment while also creating a broad array of authentic learning experiences for all students.”

- ✓ Of *over 600* school districts in New York State, North Shore ranked **5th** in Math performance statewide and **3rd** on Long Island.
- ✓ At the same time, North Shore continues to lead in its offerings of regularly scheduled STEM learning experiences for all K-8 students.
- ✓ With expanded field trips for students and performance-based learning increasingly integrated in classrooms, North Shore demonstrates that meaningful learning, student engagement and academic growth are intrinsically linked.
