North Shore Schools Board of Education Regular Meeting Minutes September 22, 2016

The meeting was called to order by President Antoinette Labbate at 6:30 P.M. in the High School Library. Present were Trustees Commander, Gonzalez, Jones, Ludmar and Russo. Trustee Berliner was absent. Also present Superintendent Dr. Edward Melnick, and Assistant Superintendent Olivia Buatsi. Assistant Superintendent Rob Chlebicki was absent.

At 6:30 pm on motion of Trustee Commander and seconded by Trustee Ludmar and all in favor, the Board moved to convene an executive session in the high school Family & Consumer Science Room (H-3) to discuss matters leading to the appointment, of a particular person or persons and collective negotiations pursuant to Article 14 of the Civil Service Law (the Taylor Law).

At 7:30 pm on motion of Trustee Jones and seconded by Trustee Gonzalez and all in favor, the Board moved to come out of executive session and resumed the regular meeting in the library. There were 5 people in the audience.

Pledge of Allegiance

President Labbate led the audience in the Pledge of Allegiance.

Approval of Minutes

On motion of Trustee Gonzalez and seconded by Trustee Commander and all in favor, the minutes of September 1, 2016 were approved.

Superintendent Report

Dr. Melnick reported on a smooth opening of schools with an enrollment of 2675 students in attendance. Enrollment is up especially on the elementary level. In regard to the incident at the high school, Dr. Melnick commended students, who were well behaved and cooperated with administration and law enforcement. The incident confirmed that our emergency plans & communication worked exactly as they should. Dr. Melnick sent a letter of thanks to the Acting Nassau County Police Commissioner Thomas Krumpter and Glenwood Landing Fire Company Chief Paul Ditrano for their outstanding efforts. Finally Dr. Melnick acknowledged Principal Cousins for his handling of the situation. Mr. Cousins gave a reassuring message to the students over the PA system and visited classrooms to ensure students felt safe; students expressed their gratitude to him for putting their safety first. Dr. Melnick was pleased to report that the day ended on a positive note.

President Labbate added her thanks to Dr. Melnick, the faculty and staff. She expressed her pride in the school and commended everyone involved for handling the situation so well.

Report from the SGO

SGO co-presidents, Frankie Lynne Conklin and Megan Tornatore, reported on events and activities at the high school, including a plan to revamp the Halloween carnival; elections for freshman class officers are underway; several fundraisers are being planned; Red Ribbon Week is being added to Spirit Week. Red Ribbon Week is to promote drug and alcohol awareness with the idea to start awareness at a young age. Plan to go into the health classes in Elementary, Middle and 9th grade. Also

sophomores, juniors and seniors will take money they raise at back-to-school night fundraisers and donate it the Riff Valley Home, a foster home & school in Africa for marginalized children.

Regular Business

Plan to Explore Equity

Dr. Melnick explained that the Board has included as one of its goals for the year a "review of all aspects of the school program in grades K-12 to make sure that equitable opportunities and outcomes are available to all students. Explore equity in opportunities and outcomes based upon socio-economic standing, ethnicity/race, disability, gender and sexual orientation". He reported that non-English as the native language spoken at home will be added as an additional group to the study. Carol Smyth will work with Dr. Melnick on this study. He feels it is important to limit the group to just the two of them to keep it confidential because much of the information includes student names. The board discussed Guiding Questions for the Review, Indicators for Consideration, and the formulation of a questionnaire for students and parents. In addition, there will be a questionnaire for faculty.

Transportation Distance Limits

The board discussed the current distance limits for eligibility for transportation; currently ¾ of a mile for elementary students K-5, 1 mile for students in grades 6, and 1.5 miles for students in grades 7-12. The key point of concern expressed by various parents has been the discrepancy of the 1 mile limit for grade 6 and the 1.5 mile limit for grades 7 and 8. The board discussed the impact on reducing the mileage for grades 7 and 8 to 1 mile in terms of the number of students who would become eligible (this would result in a uniform eligibility distance for all middle school students). The board also discussed the impact on the number of students eligible for transportation should the distance eligibility be reduced to ¾ of a mile resulting in a uniform eligibility distance for all students in K-8. Dr. Melnick reminded the Board they must get voter approval for any change to the limits, whether or not there is a budget impact. He also cautioned that if there is a budgetary impact due to a change in the legal limits, and that amount causes the budget to exceed the tax cap, there must be a 60% supermajority approval for the budget to pass. President Labbate noted the tax levy cap this year is likely to be set at 0%. Dr. Melnick has asked Michelle Hall, Transportation Supervisor, to do a transportation audit to determine what the cost impact would be in regard to additional buses and/or drivers for each scenario the board may be considering to change (i.e. 1 mile distance limits for grades 6-8, .75 for K-8). There was some discussion about students who are eligible but do not utilize the bus and whether or not seats need to be left open for those students. Ms. Buatsi responded seats are based on ridership. The board asked for cost comparisons on three options 1. Distance limits of .75 for grades K-12/2. Distance limits of .75 grades K-8/3. Distance limits of 1 mile 6-8.

Superintendent Search Update

Trustee Jones updated the public on the superintendent search. On Monday, September 19 Leadership Advantage spent the entire day in-district meeting with 13 different parent and community groups, and held the first of two community forums to begin to determine what residents are looking for in the next superintendent to assist them in developing the profile. The feedback was very positive and Leadership Advantage was described as professional and sincere by many of the individuals they met with. Trustee Jones extended a tremendous thank you to everyone who gave their time. The board values the input of the entire community. There will be a second open community forum next Thursday, September 29th in the High School Theatre @7:30 P.M and the Board encourages everyone to attend. In addition, beginning tomorrow, there will be an online survey on the district website and paper copies will be available at the Central Administration Office and at the main office of each school.

Comments from the Public

Omari Carney, 2 Jagger Drive, Old Brookville, said he does not meet the requirements for his son to qualify for transportation to Glen Head School. His son is a kindergarten student and must walk to school along Glen Cove Road. He went on to say what a dangerous route to school his son must take, he himself witnessed a fatal accident on the road outside of his street. He further explained that the school bus comes into his street to pick up other children who do qualify for transportation because they live just a few feet further than his house. He asked that his son be permitted transportation. President Labbate responded that the board does not discuss individual students in public. She also explained that the board does not have the authority to make changes to the law, but they are discussing some possible changes that would need voter approval. She suggested Mr. Carney call Dr. Melnick to have a personal conversation about his specific problem.

On motion of Trustee Commander and seconded by Trustee Russo and all in favor, it was: <u>Personnel</u>

Old Business

Trustee Commander reported that the Athletic Committee is looking for presenters to do a workshop on bullying, hazing, and nutrition. If they find someone who is really good they would like to open it up for the entire district K-12. Dr. Melnick agreed that would be something he would endorse.

Dr. Melnick explained that in light of what has been going on throughout the district, he is putting together a summit on substance abuse & bullying. He has been working with the social workers in the district and they plan to have their first meeting in October. The summit will include many facets of the community as well as the surrounding communities of Locust Valley, Glen Cove, and Roslyn. Part of the plan is a mandatory parent forum, by grade level, from elementary through high school with a large focus on the voice of the student. This is aligned with one of the district goals dealing with substance abuse and loss. Trustee Commander volunteered to be a part of any and all of it.

Dr. Melnick requested that the board go back to the previous format of recognizing students at any board meeting throughout the year instead of just 4 designated meetings a year. The board agreed to return to this practice.

New Business

Trustee Russo reviewed the plans for Legislative Night scheduled for October 5th. The format will be a Q&A led by a moderator, questions to be submitted by the public in advance. Last year the high school theatre was used and resident Bill Mozer video-taped the event. This year the venue has been moved to the high school cafeteria, and although Mr. Mozer has again volunteered to video-tape the event it would require the purchase of additional equipment at a cost of \$300. LAC Chair Deborah McDermott met with Elliot Kaye, our Director of Technology, and Mr. Kaye feels the district's equipment can handle the event. The board agreed to have the event video-taped by the district which would be at no cost. Trustee Russo asked for permission from the board to expend funds for the purchase of lawn signs to advertise the event as well as the use of a Robo Call the night before the event to increase awareness. The cost of the lawn signs is approximately \$292 and the Robo Call approximately \$100. The board agreed to the expenditure of the funds for both the lawn signs and Robo Call. Finally, Trustee Russo charged each trustee with submitting one question to the panel. Trustee Russo asked the board what topics they would like the Legislative Action Committee to focus on for the year. It was decided that LAC would remain focused on Tax Cap Reform (specifically the calculation of the tax cap), APPR, Creation of a TRS Reserve and continued work with the SuperLac Group.

Trustee Ludmar asked about the influx of students and class size at Glenwood Landing School. Dr. Melnick explained that the third and fourth grade classes saw a large increase in enrollment with sections getting to 23 and 24. After meetings with the principal and faculty it was decided rather than split the classes it would be more beneficial at this juncture to hire teaching assistants. Next year if those sections remain as large the classes will be split before assignments are made. Trustee Ludmar asked for a list of all class sizes. Dr. Melnick will provide those.

Adjournment

At 8:50 p.m. on motion of Trustee Commander and seconded by Trustee Gonzalez and all in favor, the meeting was adjourned.
