# Dependent Student Onboarding

FAFSA onboarding page provides information about the different roles that may be required to participate in the student's FAFSA form and documents that may be needed to fill out the form.

The screenshot shows the FAFSA 2024-25 onboarding page for Student Raya Tran. The page is titled "Understanding the FAFSA Form" and is page 2 of 4. The main heading is "Contributors to the FAFSA Form". There are two main sections: "Parents or Spouses" and "How to Invite".

**Parents or Spouses**  
Your answers on the FAFSA form will determine if any contributors need to be identified. These contributors will complete their own sections of the form and are asked to provide personal and financial information, but will not become financially responsible for your education.

**How to Invite**  
Contributors will need to log in with their own FSA ID to provide their information. To invite a contributor to your FAFSA form, you'll need to provide their name, date of birth, Social Security number, and email address.

**Information or Documents You May Need**

You might need the following information or documents as you fill out the FAFSA form:

- Tax returns
- Records of child support received
- Current balances of cash, savings, and checking accounts
- Net worth of investments, businesses, and farms

At the bottom of the page, there are "Previous" and "Continue" buttons.

# Key elements to FA eligibility

- Primary income
- Savings (both)
- Investments (both)
- Real estate (Not your Home)
- Household size is now called Family Size ,Automatically determined by number of tax exemptions , Option to manually change the number . Best practice: have taxes available and always fill in the family in household number

# Additional asset protection

- The Simplified Needs Test and Auto Zero EFC are simplified versions of the Free Application for Federal Student Aid (FAFSA) that are available to some low-income families:
- The income threshold is \$60,000 or less. For dependent students, this means their parents' combined AGI doesn't exceed \$60K

# Saving for college

- 529 plans always count as a parent asset even if it's in child's name
- Other relatives?. Does not get listed on FAFSA

# Who Qualifies as Independent on FAFSA?

- Students under 24 who are
  - On active duty or a veteran of the U.S. armed forces
  - Married or financially supporting their own child or other tax dependents
  - Orphans, youth who are/were in the foster care system or a ward of the court at any time since age 13
  - Emancipated minors (NYS does not emancipate)
  - In the care of a court-appointed legal guardian
  - Homeless, at risk of being homeless or an unaccompanied youth

# Counselor Question: Parent Refusal

- What if a student's parent simply refuses to provide their information?
  - This is NOT considered a valid claim for independence
  - Students may submit the FAFSA indicating they cannot provide parent info
  - They are only eligible to receive an Unsubsidized Direct Stafford Loan

# IRS-FSA Concept

- Federal Student Aid (FSA) and the Internal Revenue Service (IRS) have developed a collaborative solution to simplify FAFSA completion.
- Integration to allow users' federal tax information to be retrieved and transferred directly into the FAFSA form via IRS direct data exchange, replacing the IRS Data Retrieval Tool
- Consent is needed, this is now required, not voluntary

# Dependent Student's Parent Provides Consent

This page informs the parent about consent and their federal tax information. By providing consent, the parent's federal tax information is transferred directly into the FAFSA® form from the IRS to help complete the Parent Financials section. The parent selects "Approve" to provide consent and is taken to the next page.

### Provide Consent or the Student Will Be Ineligible for Federal Student Aid

**Summary**

Your consent is needed to retrieve and disclose federal tax information (FTI). With your consent, we can obtain tax return information automatically from the IRS to help you complete your section of the student's FAFSA® form. If you don't provide consent, the student will not be eligible for federal student aid, including grants and loans. You must provide consent even if you didn't file a U.S. federal tax return or any tax return at all.

→ Get your 2022 tax return information for the 2024-25 FAFSA form.

→ FTI is used to determine the student's eligibility for federal student aid.

→ Tax return information is required to complete the FAFSA form.

Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By accepting below, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C, or Part D of Title IV of the *Higher Education Act of 1965*, as amended.
- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 6103(d)(13)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the *Higher Education Act of 1965*, as amended.
- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury, pursuant to 26 U.S.C 6103(d)(13)(D)(iii), which includes:
  - institutions of higher education participating in the federal student aid programs authorized under the *Higher Education Act of 1965*, as amended;
  - state higher education agencies; and
  - scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.
- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.
- The redisclosure of my FTI to any future 2024-25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child's FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.
