Dear Families,

I hope this letter finds you well and that you're enjoying the last days of summer! I've had a wonderful time relaxing with my family and taking a trip to Fire Island, and I can hardly believe the new school year is just around the corner.

I'm excited to welcome you to North Shore Middle School! I am thrilled to be your child's counselor throughout their middle school journey, and I'm here to support their social, emotional, and academic growth. As you will soon see, we have an amazing team of caring and supportive teachers and staff who genuinely want the best for your child. Working together with you and our wonderful teachers, I'm confident we can help your child flourish and become a well-rounded student.

If you have any questions or concerns, please feel free to contact me after August 26th at [finningf@northshoreschools.org](mailto:finningf@northshoreschools.org). Enjoy what's left of summer!

Sincerely,

Flavia Finning

6th Grade School Counselor
