

North Shore Schools

Discovering Your Dreams

Dear North Shore Families,

I hope that you are doing well.

I wanted to let you know that the Town of Oyster Bay will be discussing the **extension of the moratorium on the development of Battery Energy Storage Systems (BESS) on this Tuesday, April 8th at 10:00 AM**. The meeting will take place at the **Town Board Hearing Room, Town Hall North, 54 Audrey Avenue, Oyster Bay, New York**.

I will be speaking at this meeting along with other community representatives and I hope that you can join us.

Please also check out our BESS/Propel page on the District's website, found at <https://www.northshoreschools.org/utility-developments/index.html>. I recently posted the transcript of my testimony regarding the RAPID Act (which could potentially bypass local zoning) from the March 11th hearings. Those transcripts can be found at <https://www.northshoreschools.org/utility-developments/march-11-testimony-by-dr-zublionis-on-rapid-act-to-department-of-public-service.pdf> (my testimony begins on page 11).

Wishing you a great remainder of your weekend!

Chris Zublionis, (Dr. Z) - Superintendent of Schools
